**Bangladesh German Chamber
of Commerce & Industry**

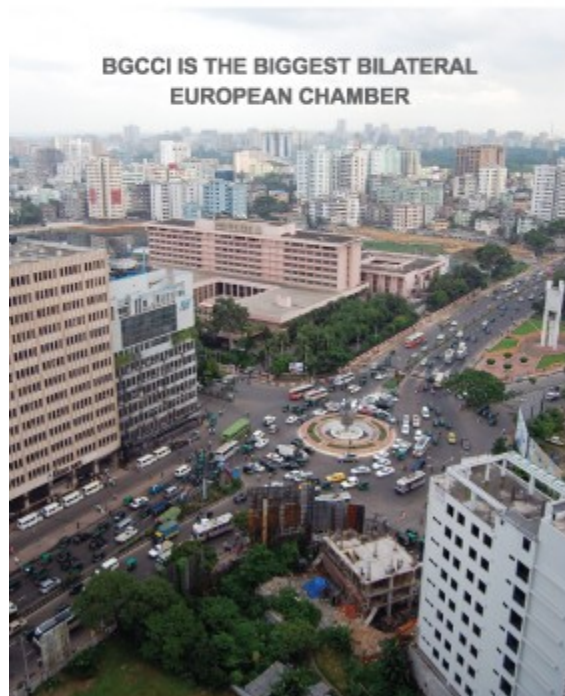

BGCCI promotes trade relations
between Germany and Bangladesh

BGCCI is your partner

In 2003 the bilateral, registered Bangladesh-German Chamber of Commerce and Industry (BGCCI) started to:

- Promote the trade relations between Germany and Bangladesh.
- Offers services such as market analyses, business match making, consulting, arbitration and fair support.
- Has close relations to companies, ministries, chambers and associations.
- Supports and looks after their 150 member companies.

Become a member

Use the advantages of being a BGCCI member:

- First-hand information for business people interested in commercial relationships between Germany and Bangladesh, e.g. events, fairs, exhibitions and projects.
- Benefit from our network to other trade organizations, government institutions and companies in Bangladesh and Germany.
- Special rates for all services, including market research, matchmaking, support in establishing a new company, seminars and much more.
- Access to top business leaders both in Germany and Bangladesh.
- Opportunity to voice your interests to Bangladeshi and German decision-makers.
- Information about and opportunities to meet business delegations travelling to Bangladesh or Germany.
- Invitations to networking events such as luncheons, breakfast meetings and B2B meetings.
- Opportunity to join and contribute to our committees.
- Monthly newsletter with economic news from Bangladesh and Germany as well as useful insights into business developments in both countries.
- One free copy of the Members' Directory and other publications of the BGCCI.

BGCCI - your professional service provider

You may have the following questions regarding business opportunities in Bangladesh or Germany:

- How do I find the right cooperation partner?
- How is the market for my products?
- What kind of regulations exist?
- How do I establish my own company?
- How do I get employees, what is the salary and labour laws?
- Who can help me in negotiations or in an arbitration case?

BGCCI provides the answers and supports you for your success in Bangladesh or Germany.
